Dear Brother

It is very necessary for me to see you here and arrange the picture of Slavery in the Dist. of Col. The drawings of building have been made and now wait for you to give directions and counsel in reference to the Characters to be introduced and the arrangement so as to produce the best effect before we give out the drawing, to the wood engraving to execute. Please to inform me how soon you can be here. I suppose you & brother Thompson intend coming this way when you go west. Our meetings yesterday were good and I trust prayer was heard in heaven for the Slave and all concerned. How great is the sin of the North as well as the South in this matter. How cruel the prejudice of the public and how little faithful there is in us in rebuking sin. O to be faithful unto death in every holy cause to which we are called. Rest comes after labor, so may we labor & enter into rest. Love to all our good brethren.

Your Affec<sup>d</sup> Brother
